P2-E PORTABLE OXYGEN CONCENTRATOR

# Live Freely. Breathe Confidently.

The Kingon P2-E gives you freedom of movement without the restrictions of heavy oxygen cylinders or large at-home concentrators.

Whether relaxing at home, heading out for daily activities, or travelling, the P2-E provides reliable oxygen therapy in a highly compact form.

### Simple, User-Friendly Design

The Kingon P2-E features an easy-to-navigate interface with a bright 2.8" LCD screen, ideal for users with impaired vision. Adjustable flow settings allow the device to adapt as your oxygen needs change. Visual alerts remain on-screen even when silenced, ensuring important information, like low battery, low oxygen purity, or no breath detected - is always visible.

**Reliable Performance**
Ideal for home and on-the-go oxygen therapy.

**Simple Maintenance**
Easy-to-clean filters and accessible parts.

**Quiet Operation**
Only 37 dB, as quiet as library ambience.

**Trusted Support**
Comprehensive Australian warranty and service.
