P2-E6 PORTABLE OXYGEN CONCENTRATOR

Live Freely .
Breathe Confidently .

The Kingon P2-E6 gives you freedom of movement without the restrictions of heavy oxygen cylinders or large at-home concentrators.

Whether relaxing at home, heading out for daily activities, or travelling, the P2-E6 provides reliable oxygen therapy in a compact, easy-to-use form.

Simple, User-Friendly Design

Featuring an easy-to-navigate interface with a bright 2.8" LCD screen, the P2-E6 is ideal for users with impaired vision. Adjustable flow settings allow the device to adapt as your oxygen needs change. Visual alerts remain on-screen even when silenced, ensuring important information - like low battery, low oxygen purity, or no breath detected - is always visible.

Reliable Performance
Perfect for home and on-the-go supplemental oxygen therapy

Simple Maintenance
Easy-to-clean filters and accessible parts.

Quiet Operation
Only 37 dB - as quiet as a soft conversation.

Trusted Support
Comprehensive Australian warranty and service.
