P2-TOC Transportable
Oxygen Concentrator

Live Freely. Breathe Confidently.

The Kingon P2 TOC is a powerful 2-in-1 Hybrid Oxygen Concentrator that combines the technology of pulse delivery and the power of continuous flow for true flexibility and genuine 24/7 use.

The Kingon P2-TOC gives you freedom of movement without the restrictions of heavy oxygen cylinders or large at-home concentrators. Designed for use at home or on the go, it delivers both continuous flow and pulse dose oxygen in a compact, transportable design, ideal for everyday living and longer periods of use.

Smart, Efficient Performance

Unlike traditional oxygen concentrators, the P2-TOC uses advanced variable-speed drive (VSD) technology to intelligently adjust compressor motor speed based on oxygen demand. This results in quieter operation, improved energy efficiency, and extended battery life, helping ensure comfortable, uninterrupted therapy wherever you are.

Reliable Performance
Ideal for home and on-the-go oxygen therapy.

Simple Maintenance
Easy-to-clean filters and accessible parts.

Quiet Operation
Only 40 dB as quiet as library ambience.

Trusted Support
Comprehensive Australian warranty and service.

P2-TOC Transportable Oxygen Concentrator

Lightweight power. Reliable oxygen. Everyday freedom.

The Kingon P2-TOC is a compact yet powerful 3-litre portable oxygen concentrator designed for both continuous flow and pulse dose therapy. Using advanced variable-speed drive (VSD) technology, it adjusts motor speed to match the selected oxygen flow, reducing noise and improving energy efficiency. With long battery life and easy portability, the P2-TOC delivers reliable oxygen therapy at home or on the go.

- **Lightweight 8 kg** – compact and portable
- **Up to 6**h 3**6**min **battery life** – impressive battery duration
- **Pulse-dose & continuous delivery** – to meet various demands
- **Quiet 40 dB operation** – low noise for discreet use
- **Airline approved** – travel confidently

Specification	Details
Oxygen Concentration	90% (–3% / +6%) at all settings
Flow Settings	1–10 (pulse dose) & 1–5 (continuous flow)
Weight	8kg ± 0.1kg (with battery)
Size	28.2 L × 38.2H × 17.1 W cm
Noise Level	40dB pulse setting 2 & 45.3dB cont. 3 LPM
Battery Duration	Up to 6h 36min on pulse flow 1
Recharge Time	Less than 5 hours
Power Options	AC 100–240 V · DC 12 V · Battery
Display	2.8" LCD screen
Warranty	Device: 3 yrs device · plus 2 yrs extra on registration Accessories: 12mths

Package Inclusions

1 x Kingon

2 x Batteries

1 x External Battery Charger

1 x AC Adapter (charge at home)

1 x DC Adapter (charge in car)

1 x Swivel Connector

1 x Carry Bag

1 x Cart

12 x Nasal Cannulas (1 Years Worth)

1 x 9.1m Extension Tubing

2 x Sets of 5 Air Filters
