P2-E7 PORTABLE OXYGEN CONCENTRATOR

Live Freely. Breathe Confidently.

The Kingon P2-E7 gives you freedom of movement without the restrictions of heavy oxygen cylinders or large at-home concentrators.

The Kingon P2-E7 gives you freedom of movement without the restrictions of heavy oxygen cylinders or large at-home concentrators. Whether relaxing at home, heading out for daily activities, or travelling, the P2-E7 provides reliable oxygen therapy in a highly compact form.

Simple, User-Friendly Design

The Kingon P2-E7 features an easy-to-navigate interface with a bright 2.8" colour LCD screen, ideal for users with impaired vision. Adjustable flow settings allow the device to adapt as your oxygen needs change. Visual alerts remain on-screen even when silenced, ensuring important information—like low battery, low oxygen purity, or no breath detected—is always visible.

Reliable Performance

Ideal for home and on-the-go oxygen therapy.

Simple Maintenance

Easy-to-clean filters and accessible parts.

Quiet Operation

Only 37 dB — as quiet as library ambience.

Trusted Support

Comprehensive Australian warranty and service.

Experience uncompromised freedom with Kingon P2-E7
